Dear Customer,

We are excited to announce that we will be upgrading our core computer system to better serve our customers and their banking needs.

Please pay special attention to all communications you receive from Rocky Mountain Bank & Trust beginning now and continuing through the upgrade, as we will be sending further details to ensure a smooth transition for everyone.

We will also provide the most up-to-date information regarding the conversion at:

**[www.rmbt.com](http://www.rmbt.com)**

including any product changes and adjusted hours of operation.

Your personal information and deposits will remain secure and insured throughout the upgrade. We look forward to introducing you to our new and improved system this fall. Call, click or drop by if you have any questions or concerns – we're here to help.

Thank you for allowing us to serve you!
